				In-subordination		Deliberate action that can endanger the life, health, or safety of another			
				Credible Threat**					

*If a student moves up the ladder though skipping detentions, and ends up serving an In-School Suspension, this DOES NOT erase (forgive) the detentions earned. Detentions must still be served.

** If a student feels their safety is threatened by another student’s words or actions, the perpetrator will be isolated from the victim until a reasonable effort to maintain a safe environment has been created by school personnel. This seclusion may include in- or out- of –school suspension or an alternative learning environment. All actions by the administration will consider maintaining the best educational environment for ALL students.
